Payment Methods (do not send this page, this page is for your information)

Personal Checks and Money Orders:

You can send project participation payments or donations by means of a personal check or money order. The check/money order must be made out to "PRETOMA", and mailed to:

PRETOMA

Note: All checks need to be in US Dollars.

Bankers Draft:

If you do not have a bank account with USD you can go to your bank and ask them to issue a banker's draft in USD. There is usually a charge involved when banks issue a draft.

ATTENTION: If you are paying for project participant fees, please mail your check/money order/bankers draft one and a half months before your visit as deposits can take from 1-6 weeks in Costa Rica.
